Overview

Nonprofit Day: Thriving vs. Surviving

Nonprofit Day is a full-day educational conference for nonprofit staff and volunteer leadership. This annual event provides a much-needed opportunity for the nonprofit community to come together to learn how to advance their organizations and the nonprofit sector. Keynotes and sessions throughout the day follow four thematic tracks: management, governance, fundraising, and communications.

2018's theme, Thriving vs. Surviving, is all about discovering the ways in which the nonprofit sector can increase impact, scale, and opportunity at the organizational level.

Nonprofits are one of any community's greatest assets – we hope you'll help us invest in these assets by supporting Nonprofit Day.

Frequently Asked Questions

Take a moment to look over some of our frequently asked questions below. Don't see your question here? No problem! Email Erin at eyates@yournpp.org.

What's the Passport Program?

To further increase attendees' engagement with Exhibitors, we introduced the Passport Program (formerly known as the Exhibitor Booth Contest). Attendees must have their Nonprofit Day Passports signed by 20 Exhibitors in order to enter our Passport Program drawing. The winners of the Passport Program drawing will be announced at the conference reception.

What are the restrictions on Passport Program drawing prizes?

Prizes for the Passport Program drawing may be promotional in nature, but should have some nominal value for the winners. Some examples of past prizes include: a Fitbit, an Echo Dot, an iPad, a Nest home security kit, an Amazon Fire Stick, and a Chromebook. We will not accept coupons, vouchers for free consultations, or any similar "prizes." **If you are unsure if the prize you would like to offer fits within these guidelines, please contact Erin at eyates@yournpp.org.**

What are the restrictions on swag bag items?

Items must be somehow useful in nature, such as note pads, pens, water bottles, USB sticks, etc. **We will not accept promotional flyers, brochures, booklets, or any other printed advertising collateral as a swag bag item.** Swag bag items should be dropped off at the NPP offices no later than 4:30 p.m. on October 10, 2018. Participants should make approximately 450 promotional items available.

What's the difference between an Exhibitor pass and a complimentary conference registration?

Exhibitor passes are for staff that will be stationed at Exhibitor booths. Exhibitor passes do not allow admission to any educational sessions but do allow representatives of Exhibitors to join other conference attendees at breakfast and lunch.

Complimentary conference registrations offered with the Premier Event and Friend of Nonprofit Day sponsorships allow admission to educational sessions, meals, and all other conference offerings. These conference registrations may be used by staff of the sponsoring company or transferred to a nonprofit of your choice. Those who plan to use these registrations must register online at www.NonprofitDay2018.org by October 10, 2018.
